ELIGIBILITY

In order to be reimbursed, a participant must (1) be 18 years or older, (2) live or work within the San Joaquin or Merced counties, (3) be pre-registered in the ERH program at least 3 days prior to first use, (4) use alternative transportation to and from work at least 3 times each week (carpool, vanpool, public transit, walk, or bicycle), (5) be picked up at the employer worksite, (6) have their vanpool registered with Dibs (if you vanpool), and (7) turn in the reimbursement request within 15 days of using the service.

ELIGIBLE REASONS TO USE THE EMERGENCY RIDE HOME PROGRAM

- Participant or an immediate family member is ill (an immediate family member is a parent, sibling, spouse, child, or domestic partner).
- Participant is unexpectedly required to work late (i.e., participant was not aware of the overtime before the start of the workday) causing the participant to miss their planned ride home.
- Participant or an immediate family member has a crisis (an immediate family member is a parent, sibling, spouse, child, or domestic partner). For example:
 - Your child's school or daycare notifies you of a situation that requires immediate attention.
 - There is damage to your home or property.
 - The driver of your carpool or vanpool must leave early due to an emergency and you are left stranded. In this situation, all riders should use the ERH program together in one vehicle if possible.

REIMBURSEABLE COSTS

The ERH program will provide a reimbursement for a one-way taxicab, Lyft, Uber (or equivalent), or a round-trip carshare or rental car fare, not to exceed \$75 plus 15% gratuity.

The following limits apply:

- Participants can be reimbursed for up to four (4) ERH trips per year.
- For a registered taxi, Lyft, Uber (or equivalent), car share, or rental car, individual trips will be reimbursed up to a maximum of \$75 plus 15% gratuity per trip. Exceptions to the \$75 limit will be reviewed on a case-by-case basis.
 - For taxi, Lyft, or Uber (or equivalent) trips, the taxicab or ride hailing rate plus tax and gratuity are eligible for reimbursement. Luxury or premium services are not eligible for reimbursement. However, you are allowed a one 10-minute stop before your final destination. For example, you may need to pick up your child from school and then continue to your destination (i.e., home).
 - For carshare trips, the hourly or day rate cost of a car share vehicle rental is eligible for reimbursement. Membership fees are not eligible for reimbursement.
 - For rental car trips, only the base fare cost of a one-day rental plus tax and basic rental car insurance are eligible for reimbursement. Additional days, fuel costs, and luxury or premium services are not eligible for reimbursement. Additionally, you must return the rental car to the office it was rented from.

Please refer to the guidelines for more information regarding the ERH program. The guidelines can be found at <https://dibsmysway.com/programs/ways-to-travel/emergency-ride-home/>.
